Suspension and transmission may be modified, within their original configuration. Tyres marked 'for competition use only', or manufactured without a full tread pattern, may not be used.

Additional eligibility requirements, Classes A to E:

In classes A to E, cars must retain the original panel and window materials although accessories such as spoilers and wheel arch extensions may be added. They must have full trim and seats although the type may be replaced.

The engine must be of the original manufacture and original basic type (eg: BMC 'A' series) and must be fitted in the original position, but may be a different version, may be modified, and may be a different capacity, provided the car is entered in the class corresponding to its actual capacity.

Cars not meeting these requirements are eligible only for Class F.

The organisers' decision will be final, regarding the eligibility and most appropriate class for any particular car.

As per GR D.69: cars entered in AutoSolo's must be registered, taxed, insured, MOT tested if applicable, and driven to the event.

Please note, these requirements will be enforced. Tax discs must be displayed; proof of insurance cover, and MOT's (for cars over 3 years old) must be available at scrutineering / signing on; and trade plates will not be accepted.
