BLACK MOUNTAINS CLASSIC TOUR 2017

FINAL INSTRUCTIONS

Welcome to the **Black Mountains Classic Tour** organised by **Brecon Motor Club**. Your start number can be viewed on the attached entry list.

On arrival in **Talgarth** please proceed to the vehicle check (open from **07:30**, closes at approximately **08:30**) in the town car park (marked on the attached map) where basic checks of your vehicle will be carried out. When this is complete you will be handed a process card which you need to present at signing on to obtain your participants pack. Refer to the attached maps to find the prescribed parking area outside the clubhouse.

Participants will leave the first control at **Gwernyfed Rugby Club** at approximately one minute intervals. **Car no. 1 will leave at 09:01 hours**, car no. 2 at 09:02 etc. We are pleased to have our club president **Mr Brian Dennis of Old Forge Garage**, Hay on Wye to flag you away.

Once you have signed on and obtained your pack enjoy a **bacon roll and a cuppa** and peruse the information you have been given. The route is presented in the form of a tulip diagram road book. This is not complicated however if you have not used one before there will be officials present who can give you a quick lesson. If you would like to put any information onto an Ordnance Survey map at the start there will be a copy of the route displayed and you will need to bring copies of sheets 147, 148 & 161.

Briefing: There will be a casual brief at approximately 08:45 hours in the clubhouse.

The first stop of the day will be at **Llangoed Hall** where morning coffee and biscuits will be provided. At **Brecon** you will be self-sufficient but remember that there is a buffet waiting for you at the finish. You will be able to get a snack or a drink at the Theatre café or you can walk into the town to stretch your legs. There will be an earliest time to leave these venues and we would appreciate it if you could try to stay as close to your allotted times as possible. There are a number of passage controls along the route where your route card will be signed, none of these are mandatory although we'd appreciate a call if you're going off *piste* so as not waste any time in trying to find you!

Once again our **Official Photographer** for the day is **Mark Griffin**. Mark is an amateur photographer but the standard of his work is admired by many in the world of motor sport. He will email proofs out to you after the event.

Finally, the day is designed to be a steady meander through Black Mountains and surrounding countryside. It is not a race or a rally and we would appreciate it if you could show the utmost courtesy to other road users and local's *en-route*. There will be a **sweeper car** which will stop if required and assist with minor problems but it is advisable to have your own breakdown cover. Above all enjoy yourselves!
